

## First Class Security

### DESKSIDE SHREDDER

EBA 1324 S

EBA 1324 C

EBA 1324 CC / 1324 CCC

Excellent design, high performance, safe operation

- convenient feed opening of 240 mm
- SPS- (Safety Protection System) package:
  - electronically controlled, patented safety flap in the feed opening as additional safety element
  - automatic reverse and power cut-off (avoids paper jams)
  - automatic stop if the shred bin is full
  - electronic door protection via a magnetic switch
  - double motor protection
  - energy saving mode
- multifunction control element EASY\_SWITCH with integrated optical indicators for the operational status of the shredder
- automatic start and stop via a photo cell
- powerful, quiet 390 watt motor
- fully closed gear box housing with durable gears
- high-quality wooden cabinet, movable on castors
- convenient, environmentally-friendly shred bin (no disposable shred bags required)
- high shred bin capacity of 35 litres
- paper clip proof cutting mechanism made of high-quality, special hardened steel (fine cut models 1324 CC and 1324 CCC: staples and paper clips have to be removed)
- LIFETIME guarantee against breakage of the solid steel cutting shafts\*
- attractive colour combination: silver / dark grey
- quality "Made in Germany"
