# Magnapunch Pro

## Punches - Modular and Productive

The all-new GBC Magnapunch™ Pro. This powerful interchangeable die punch is the fastest in the industry and delivers unparalleled reliability and durability. Boasting a half-second punch cycle, the Magnapunch Pro provides your office or print shop with a best-in-class high-volume desktop punch.

### Features & Benefits

- Efficient power system driven by flywheel technology that converts electric energy to kinetic energy, allowing for faster acceleration and punching
- Half-second punch cycle
- Punches up to 49 sheets at a time (varies by punch pattern)
- 3-way rocker switch allows you to operate the machine with the tabletop trigger or foot pedal
- Large chip tray with capacity for chips from 40,000 sheets
- All-metal housing
- Enhanced edge guide with adjustable sliding knob and screw system
- Locking die set system with integrated safety switch
- 13 High capacity interchangeable die sets slide in place quickly without tools and compatibility with Magnapunch 2.0 dies (sold separately)
